Staying Safe When Returning to the Movies

We hope this finds you healthy — & we want to help you continue to stay that way while enjoying movies at Film Forum once more. Many new procedures are being introduced to assure the health & safety of our staff & audiences.

**FACILITIES**
- New MERV-13 filters (hospital caliber) have been added to our ventilation system.
- Easels are being removed to maximize floor space.
- Concessions will be closed.
- The water fountain, touch-screen monitor, and trailer kiosk will not be operative.
- Multiple hand-sanitizing stations will be available.

**TICKETING**
- Reserved seating will be used in all theaters.
- Ticket holders are encouraged to show up close to show time.
- Theater capacity will be limited to 25% and seating will be social distanced by 6’.
- Ticket-holder lines will be kept outside with 6’ distancing enforced.
- We encourage credit card purchases (but will also accept cash).
- Plexiglass has been installed at the box office window for in-theater ticket purchases.
- We encourage online ticket purchases in advance.

**STAFF**
- All staff will have their temperature taken each day.
- Staff will wear masks.

**PROCEDURES**
- Staff will clean and disinfect seating after every show.
- Restrooms and other areas with hard surfaces will be cleaned & disinfected throughout the day.

**PATRONS ARE REQUIRED TO WEAR A MASK AT ALL TIMES.**

Enjoy the movies & let’s all stay safe.
