Support Film Forum

A nonprofit cinema since 1970, Film Forum has flourished past 10 years — presenting independent film programs and an analytical program of reportory screenings and classic remakes — because decision-makers have given generously.

There are many ways to make a tax-deductible contribution that afford a variety of benefits:

- Membership: Begins at $65 annually. See coupon with benefits described in reverse side.
- Annual Appeal: This past spring we began an annual appeal for gifts at the $250 level. Donors of $250 and above receive priority offering and a 10% discount on new Film Forum memberships, merchandise or film passes.
