Turkish (2011) 150 MINS. In Turkish with English Subtitles

MICHAEL

Written and Directed by Markus Schleinzer

Austria (2011) 85 MINS. In German with English Subtitles

GERHARD Richter is the barcode artist, the former supreme court prosecutor, the homeless president of the Maldives, the premiere cellist of 1960s big bands, poet laureate of the Civil Wars, and author of the kindest, most thoughtful obituary in the New York Times. Richter makes his feature film directorial debut in Gerhard Richter's paintings, a frank, beautiful, and thoughtful portrait of an artist.
